To whom it may concern,

Feb 7, 2022

The Players College Showcase soccer tournament is held annually over two weekends in Las Vegas. This year's tournament is held March 11-13, 2022 for boys and March 18-20, 2022 for girls. The tournament is considered as one of the major recruiting events for student-athletes in the nation with over 800 college coaches and scouts attending annually over the two weekends. Teams are invited to the event based on their records and level of play. Tournament play starts on Friday with first games kicking off at 8:00 am. This date typically coincides with Spring break at some states, but it is a school day with some others. The list of some of the colleges attending the tournament as well as the game schedules are posted on the tournament web site at Playersshowcase.com.

We are submitting this request to excuse the student-athletes participating on Boys event on March 11, 2022. The student-athletes on the Girls teams are requested to be excused on Friday March 18, 2022, to attend this important recruiting event. Please do not hesitate to contact us for any additional information.

Thank you for your consideration,
